

Berkeley Castle Covid 19 - Tenant Update

15 - June 22, 2020

Critical Safety Procedures: Berkeley Castle is serious about all visitors wearing a mask and washing their hands upon entering the building. We ask that you make sure all your staff are aware of this. We are still seeing tenants enter without masks, and not washing their hands. Starting next Monday, if they don't have a mask, we will provide one of our reusable masks, and charge your company back. Otherwise, we will ask them to leave.
