

Berkeley Castle Covid 19 - Tenant Update # 53 - March 23, 2021

Welcome to 1YAC (1st week a Year After Covid)

Earth Hour - Saturday March 27, 2021 from 8:30 to 9:30 pm:

This time of year, we are challenged by BOMA (Building Owners and Managers Association) to reflect on, and assess our energy consumption. Here are some ways you can take part at home

Those darn variants:

The numbers are increasing in Ontario, with the variants being the biggest culprits of this “third wave”. To all in the **14 to 24 age category** - please tell your family and friends to be extra careful. You are less likely to die, but who wants to be sick for weeks on end, or worse, to be asymptomatic and pass it onto someone more vulnerable. Right now, that category is testing positive twice as much as any other age category. [You can download the chart by age and positivity rate daily](#)

A simple vaccine explanation:

[or - take whichever vaccine is offered to you](#)

Because you will need this for when you qualify, I'll include it every week [link](#) to book vaccine.
