

## Berkeley Castle Covid 19 – Tenant Update # 54 - March 29, 2021

### Live concert Today @ 3 p.m. in the park, in front of our building :

- During the pandemic, we have offered access to the courtyard for a number of closed performances, and empty office space to some artistic groups for use as covid friendly dressing rooms or rehearsal space.
- We are happy to support this event which you can watch live on Facebook <https://fb.me/e/5fMb0FFjf>

### Good Friday and easter egg hunts:

- I scoured the internet for fun covid friendly easter egg hunt ideas. Was not impressed. One choice idea, that I won't even dignify with a visual example, was to fill plastic easter eggs with little

bits of confetti. Whoever thought that would be fun, has never had to clean a confetti mess.

- Then, I thought about some fun “easter” recipes. I’m not sure that I want to make egg shaped rice crispy squares, but this link to [Toronto 4 kids](#) will show you how to do that, and so much more. My kids are grown, so I’ve not come upon this site before, but I think its well worth making it a favorite. Its full of great ideas, and I learnt that there is a drive-in theatre at Ontario Place that opens up April 1.
- This weekend, in our family, I’ll probably set my laptop up on the dining room table and we will “do dinner” via zoom with my parents and kids. If we feel like it, we might have a mini [on-line card game](#) euchre tournament afterwards.
- Regardless of your religious beliefs, Friday is a statutory holiday. A day you can relax, or spend time with friends and family - and when you do it virtually, all you need is a clean shirt 😊

### Grant deadlines of March 31, 2021:
