

Berkeley Castle Covid 19 - Tenant Update # 61 - May 17, 2021

WHO CAN BOOK FOR A VACCINE – BIG NEWS:

As of tomorrow (Tuesday May 18) Ontario is opening up eligibility for COVID-19 vaccines to everyone aged 18 and older a week ahead of schedule. Those who meet the criteria can begin booking appointments through the province's [ON LINE PORTAL](#) and call centre (1-833-943-0007) or through their local public health unit, depending on where they live, as of 8 a.m. ET Tuesday.

Sunnybrook Hospital is vaccinating kids between [12 and 17 years old](#) with health risks.

CONTRUCTION @ BERKELEY CASTLE:

By now, I am sure that most of you are all very familiar with the annual brick repair work we need to perform to keep our building at its best. The work we do prevents water and wind leakage through the brick mortar. We also repair windows and anything else in “the envelope” that needs addressing. As a historical building, this is work for which we can receive a grant. Most years, we receive grant approval early spring, and start the work as soon as outdoor temperatures are above 0 Celsius at night. With COVID, The City of Toronto who authorizes the grant has been behind schedule. It would have been great if we could have started this year’s work in March, but we only received verbal approval this week. This year, we will be doing the brick repair on the South wall of the Tower (the 6 story building). For those tenants who will be directly affected, we will be sending out more details and updates. In the next week or so, the scaffolding will start going up.

...By tomorrow, over 60% of all Ontarians will have had at least one dose of their vaccine.

Because you will need this if you haven’t yet been vaccinated, I’ll include it every week. [Link](#) to book a vaccine.

Try [vaccine hunters](#) on [Twitter](#) or [facebook](#) for last minute vaccine locations. If you really want to get vaccinated today, there are a number of places with vaccines available.
