

Berkeley Castle Covid 19 - Tenant Update

70 - July 19, 2021

77% of all Torontonians have had their first, and 58% are now fully [vaccinated](#)

70% of all Ontarians have had their first, and 54% have both.

We are now in Step 3, and there are no details for what a step 4 would be. It likely means that 70% of population will need to be double vaccinated, and most restrictions will be lifted, with requirements remaining in place for things such as screening. Here is what they are “suggesting” for now: [What comes after step 3 is over](#)

Building lighting project. A few small [changes to schedule](#).

We started today, but a few small changes to dates have been made. Please just doublecheck the attached schedule to be sure of your dates. If there are any more changes, we will email specific tenants individually. This will only occur if things take longer than expected.

Emergency contact Update:

In case you haven't had a chance to update your Emergency Contact form, we have [attached](#) the form again.

COVID comments:

...As the country opens up and as more and more people are fully vaccinated, many tenants are planning for their staff to return to work. Management is still operating the building with a skeleton crew, but will also be ramping up as more and more people return to the office. Please don't hesitate to contact us if you have any questions about your return. In the meanwhile, we continue to observe all masking and distancing protocols in all common areas of the complex.
