

# Berkeley Castle Covid 19 - Tenant Update

## # 56 - April 12, 2021

With the new key fob access system working smoothly at Berkeley Castle, we can now easily keep track of almost all people coming into the complex. If there were to be a covid outbreak, we will be able to contact almost all people who have been to the building. That being said, with the latest stay at home orders in effect, we strongly encourage you to stay home, to stay safe and remain away from the building unless it's unavoidable.

### Postal Code Hot Spots:

If you happen to live in any of these hot spot postal code areas, you now qualify for a vaccine if you are over 18. If you are 50 or over you can book your appointment online ([Link](#)). If you are between 18 and 49 they are still figuring those details out. Until they do, some neighborhoods like [Thorndcliffe Park](#) have been letting their people know through community networks, and by posting flyers. Keep your eyes and ears peeled for the latest news as it is made available. You are supposed to be able to search your local [public health unit](#), but for now they don't show any information.

## Appendix: Hot Spot Communities Postal Codes

DURHAM	PEEL	TORONTO	TORONTO cont'd	WATERLOO
L1S		M1B	M4X	N2C
L1T		M1C	M5A	Waterloo

L6Y	Brampton	M6L		L3T
L6Z		M6M		L6B
L7A		M6N		L6C
		M9L		L6E
		M9M		Eastern York Region
		M9N		
		M9P		
			Scarborough North	
			M1T	
			M1V	
			M1W	

### The latest stay at home orders can be confusing:

[The province's](#) latest health measures, & [Blog-TO](#) describes the latest rules in easy terms.

Because you will need this for when you qualify, I'll include it every week: [Link](#) to book a vaccine.
